Institutional Perspective Plan and Deployment Document

Vision

SNDT College of Home Science gets its inspiration from the university motto: “**An enlightened woman is a source of infinite strength.**” The College strives to keep abreast of changing social realities and create a harmonious environment for the students to equip and empower themselves through education to make a meaningful contribution to the society and uphold human values, equality & social justice.

Mission

SNDT College of Home Science strives for women’s empowerment through access to education, particularly higher education, through relevant courses. The college offers professional and vocational courses for women to meet the changing socio-economic needs, with human values and purposeful social responsibility. It aims to achieve quality, professional attitude and entrepreneurial skills among students for self-reliance.

A perspective plan serves as a blueprint to guide the college’s development, growth, and improvement over time. In view of the vision and mission of the institution, various long-term and short-term plans were prepared and successfully deployed by IQAC during the academic years 2018-2023.

Broad Areas covered in the perspective plan from the year 2018-2023:

- ❖ Academic Initiatives
- ❖ Skill Enhancement Courses
- ❖ Infrastructure Development
- ❖ Strengthening Research Activities
- ❖ Faculty Enrichment Programs
- ❖ Collaborative programs with other organizations
- ❖ Career counselling
- ❖ Outreach Activities
- ❖ Environment Sensitization
- ❖ Gender Equality and gender sensitization

Considering these broad areas, **Annual perspective plans** were prepared by IQAC as mentioned below:

Perspective plan 2018-19

- To increase use of advanced technology in accounts and administrative functions of the college
- To plan and organize extension and outreach activities
- To enhance and improve performance of the students through academic counselling
- To organize sessions for guidance and preparation for various competitive examinations
- To plan activities for students' involvement in environment initiative

Perspective plan 2019-20

- To revive the Laboratory Nursery School
- To establish a College Library
- To establish Language Laboratory
- To offer Value Added Courses
